# Powerfully productive. Extraordinarily efficient.

The HP Color LaserJet Enterprise 5000 and 6000 Series are the most advanced and customizable HP A4 LaserJets. These innovative printers power the modern workplace by enabling digital workflows, cloud-connected document management, security, and sustainability solutions to meet your business needs.

Customizable and scalable solutions

Flexible printer configurations and easy to scale solutions to meet evolving workforce needs and optimize workflows.

Fast and seamless digitization

A powerful collaboration hub, making document digitization easier with incredibly fast scanning and cloud-based solutions.

Everything you expect from an office printer (and more)

Advanced workflow solutions coupled with copier capabilities makes these fully-featured A4 printers the best choice for all your workgroup needs.

Always on guard with HP Wolf Security[1]

HP Wolf Enterprise Security provides the world's most secure printing[2] that protects, detects, and adapts to new threats.

Designed to make a statement

Modernize your workspaces with elegant designs and choose from six color panel options to match your office décor.
